Sir or Madam:

The computer readable form in the instant application is identical with that filed in a Preliminary Amendment on April 8, 1999 in the prior application, Serial Number 09/150,867. In accordance with 37 CFR § 1.821(e), please use the computer readable form the prior application, as the computer readable form for the instant application.

It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application.

The paper copy of the "Sequence Listing" (Tab 1 of the accompanying Preliminary Amendment) in the instant application is identical to the computer readable copy filed in the prior application, and includes no new matter.

Signed on behalf of:

Dated: August 27, 2003
